Day 2: Tarangire National Park

In the morning, after breakfast (around 7:30 AM), your safari guide will arrive at the hotel. After meeting your guide, you will head to Tarangire National Park, and by 10:00 AM, your first safari will begin!

In this park, you'll have the opportunity to see a variety of wild Tanzanian animals, such as lions, buffaloes, giraffes, zebras, and more. However, it is most famous for its remarkable population of elephants, who tend to stay near their drinking source, the Tarangire River.

Please note that this is the wild, natural environment, so your guide cannot guarantee the presence of specific animals. However, you can rest assured that he will do his best to find everything you're hoping to see! Using the radio channel, the Serengeti Nexus guides communicate with each other and collaborate in searching for rare species.

The safari will continue after a lunch break in a designated picnic area right inside the national park. Closer to the evening, you'll head to a hotel located near Lake Manyara National Park. At the hotel, you'll be welcomed and shown to your room, where you can enjoy dinner, relax, and take a dip in the pool.

Additional notes:

This is your first day on safari, so we kindly ask that you pay special attention to the national park visitor rules and our company's recommendations:

- It is strictly prohibited to exit the vehicle during the safari, except in designated areas. Violating this rule may result in significant fines for the company, including the revocation of its license.
- Off-road driving is also prohibited as it can cause irreparable damage to the delicate balance of the park's ecosystem.
- Smoking is allowed during the safari, but please be extremely careful when extinguishing and disposing of cigarette butts, as they are a frequent cause of fires in the savanna.
- We kindly ask that you do not put your feet on the seats or sit on the backs of the safari vehicle's seats, as such behavior quickly damages the vehicle.

Thank you in advance for your understanding!

Day 3: Lake Manyara

Early wake-up, breakfast, and travel to Lake Manyara! The entire park is cut through with groundwater streams, creating a favorable environment for plant life, and as a result, attracting a variety of birds (including pink flamingos) and African forest animals.

Around lunchtime, you will visit the Maji Moto hot springs, where your driver will provide you with a personal lunchbox. After this stop, the safari will continue, and by evening, you will be transferred back to your hotel in Arusha.
